MULTI-MARKET EXPERTISE

A Tailored, Integrated Approach for Worldwide Success

Cushman & Wakefield Core’s comprehensive occupier solutions in Egypt include Global Occupier Services (GOS), designed to help global corporations achieve their business goals across a broad range of regions and asset types.

Collaboration with industry experts and our global network made up of 400 offices in 60 countries enables us to combine local knowledge with a powerful worldwide network. Our teams are supported by cutting-edge technology, industry-leading research and data-driven approaches.

Our integration of industry expertise and data produces actionable insights that improve decision-making, ensure consistency, enhance operations and reduce costs.

Many of our GOS consultants have extensive experience within the client side for some of the world’s largest corporate occupiers. By making our staff an extension of your company, GOS aligns with your goals. This helps us enhance performance from the ground up, increasing employee engagement and productivity in the process.

Cushman & Wakefield Core Egypt tenant services include:

Integrated Portfolio Management (IPM)

Transaction Management

Insights and Analytics

Portfolio Administration

Integrated Facilities Management (IFM)

Project and Development Services

Total Workplace
